**Footing** in all rings is the highest International Standard. Full drainage with the very best sand and GGT geotextile throughout.

**Course diagrams:** will be posted at the In-Gate at least one hour prior to the start of the class.

**IMPORTANT INFORMATION CONCERNING SPLITTING/COMBINING & ADD/SCRATCH POLICY IN ALL “A” RATED HUNTER SECTIONS:** Should entries warrant, all “A” rated hunter sections will be split or combined following USEF rules and will be done so at the close of the horse show office on the evening preceding the first class in each section, therefore entries MUST be completed for “A” rated hunter divisions accordingly to be considered. Any post-adds received and accepted after this time will not be considered in respect to the splitting/combing numbers. There will be no exceptions to this policy. Same day scratches and/or “no-shows” at the gate in all “A” rated hunter sections will forfeit their entry fee unless a Certificate from the Official Show Veterinarian vet scratch for the show is received by the official show secretary prior to the First class of the section in question. Should same day scratches or no-shows result in insufficient entries to keep sections split, sections will be combined.

**Posted Order:** One of the hallmarks of our show is a posted order of go for all classes held in the International Ring. The International Ring is priority. To be fair to ALL COMPETITORS we will start on time and stick to the posted order. Any non-Classic trainer groupings should be requested by 5 pm the night before the class. Posted orders will be available on HorseShowing.com the night before. Please do not arrive for the first class and ask “When can I go.” Course walk will end 10 minutes before the first class.

**Jogging for Soundness:** All horses will jog for soundness under saddle by trotting a circle on a loose rein at the end of each over fences performance.

**Schooling:** Riding, exercising, and lunging in the show rings without permission is prohibited at all times. Anyone caught in the show rings before or after the show without permission will be fined $100 and may be eliminated from the competition.

Manual poling and use of bamboo off-sets are prohibited for all horses on the show grounds. Any rider, trainer, groom or any other person who is in violation of this rule will be fined $500 for each incident and may be suspended from further competition for the duration of the competition starting from the time of the incident. Any horse upon which a violation of the manual poling and/or use of bamboo off-sets rule is perpetrated, will be suspended from competing for the duration of the competition. All entry fees for the classes entered during the suspended period of the horse in question will be forfeited.

Riders are fully responsible for what they jump in the practice arena. This is NOT the trainer or jump setter’s responsibility. Show management and USEF Steward may rule on any violation or rule interpretation to insure the fairness of competition.

**Lunging:** All lunging will be restricted to a designated area. Lunging is NOT permitted in any show ring, warm up ring or on the grass at any time.

**Farrier:** Only the official competition farrier will be permitted to shoe the grounds unless given permission from management.
**Leash Law:** Dogs are not permitted to be loose on competition grounds and must be held on a leash or otherwise restrained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses, or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule will be issued a Yellow warning card and may be subject to penalty under USEF Chapter 7. There may be a $200 fine ($100 donated to USET Foundation) per incident where an owner fails to comply with the USEF rules regarding dogs.

**Parking:** There are designated parking areas for officials, staff and exhibitors. All vehicles, including trailers, horse vans and passenger vehicles are prohibited from being parked in the stable areas due to Montgomery Township Fire Regulations. Horse vans and trailers will be allowed in the stable area to load or unload only. The horse show farrier and vet are allowed to park their work vehicle in a safe area designated by horse show management.

**ALL VIOLATORS WILL BE TOWED AWAY AT OWNERS EXPENSE.**

**MOTORIZED VEHICLES:** In accordance with GR1301.7: Minors who do not have a valid driver’s license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver’s license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

In accordance with GR1301.8: The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver’s license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed “unsafe use” if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule are accountable and may be subject to penalties. Show Scratch: Vet Scratches are allowed if documentation is sent prior to first day of the show. The $30 deposit is nonrefundable or transferrable for any reason. The show secretary will close Exhibitor Accounts that have not been settled at the conclusion of each show and a $75 No Check Out Fee will be added to each entry.
